Address: 843 Room, Guomao Mansion, No.356 Xin'er Street, Hongqi District Xinxiang, China, Xinxiang, Bonne Terre  
Price: 432.00 \$

The modular container homes can use as construction site project office, it can be built very quickly. You can set the office area, meeting room, dormitory room, public toilet, etc. The outside insulation wall of the modular container is inserted type, there has a plastic film to protect the surface of the panel. Roof structures use steel, mostly are a square tube. Windows is a PVC sliding window with a screen. The bottom uses steel structure with the MgO board. The design of these houses means the eternal simple lines and real material, and takes full use of space. Well-designed K-home container family house, no matter where you put them on, K-home container family house can provide you indoor and outdoor living experience.
