I am a journeyman electrician I have installed thousands of transfer switches over the last 22 years. For around \$750 I will provide a transfer switch for your portable generator. This price includes all parts and labor No More extension cords!! These transfer switches are one hundred percent safe and add value to your home. I will provide a plug-in box mounted on the outside of your home to plug your generator into during a power outage. You don't have to worry about backfeeding and injuring a linesman down the street, There is only one and Safeway to run your appliances with a portable generator and that's to install one of these transfer switches. I will help you pick out your necessary circuits furnace, sump pump, fridges and freezers, garage door Ect. I am fully vaccinated for covid the install will only take 3 hours or less.
